

Fork Mounted Sweepers

Fork Mounted Sweeper - The lift truck mounted broom attachment could truly make industrial sweeping tasks a lot easier. Intended for use on either wet or dry surfaces, this mounted broom accessory can squeegee water and push snow without difficulty. This particular attachment is usually used in order to clean debris from warehouses, construction sites, docks, parking lots and nearly wherever it is required. The forklift sweeper is a low maintenance accessory that uses quick-tite blade products to effortlessly connect to the forklift.
