

## Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to offering top quality and new design concepts in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually offers fresh design ideas as proven in their product development. They like providing products which energize both their partners and their dealers and provide production gains to their clients.

The team at TREK enjoys handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills combined with their knowledge of cleaning applications, together with owners' strong desire to considerably reduce cost through productivity gains.

The staffs at TREK and their dealer-partners are really committed to having both parts and technical support accessible when it is needed. Their high service commitment is amongst the core values in their customer service. Keeping their clients' cleaning machinery running and ready day after day is top priority. The company's top of the line technology delivers reliable equipment which ultimately lowers your cost of cleaning. The product, the price and the service all work as one to be able to make them the leader in the industry.
