

## Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tedious it will actually be to clean up your very own house right after having a large party, without help from cleaning machines. In the past, the time carpets and upholstery had the dirt beat out of them manually; cleaning cloths, brushes and brooms were the leading cleaning materials back then.

P.A. Fisker, the man who established Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Founding the business in 1906, he began to make motors to drive drills, fans, machine tools and coffee grinders. Mr. Fisker's vision from the beginning was to own a worldwide company advertising merchandise worldwide.

The Nilfisk C1 was a tremendous breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and can be operated by one person. This creation came in a time where other cleaning equipment were very big and needed at least 4 operators, hence, the Nilfisk C1 transformed everything and evolved the method we clean forever. The genius behind these first cleaning equipment remains unparalleled. Cleaning machines provide an excellent solution to an ongoing problem; stuff get filthy and need to be cleaned frequently, without a lot of effort.

Gradually but steadily, Nilfisk-Advance grew all through the decades. During the nineteen eighties, this development truly took place the time the company became a part of the NKT Group. Their new owners' drive and motivation made Nilfisk-Advance take a huge leap forward within the business, trying to be one of the largest universal players in the market of professional cleaning machines. Nilfisk-Advance is presently located in every part of the globe by gradually obtaining a lot of smaller businesses in order to grow their product selection and presence in new markets. They are really proud to present a variety of cleaning solutions to fit each requirement.
