

American Lincoln Part

American Lincoln Parts - Presently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the industry they are recognized in the industry as providing durable and strong machines that meets the needs of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind model of floor scrubber along with the Clarke Company which is now also owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These kinds of scrubbers are available in the market under the trade mark name "Encore". American Lincoln can provide components, warranty service and machines for these types of scrubbers which carry both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility managers where results and efficiency make a difference. Lately, this floor scrubber model has been requested by the architects in different construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location because of the model's utmost performance level and excellent quality for polishing concrete.
